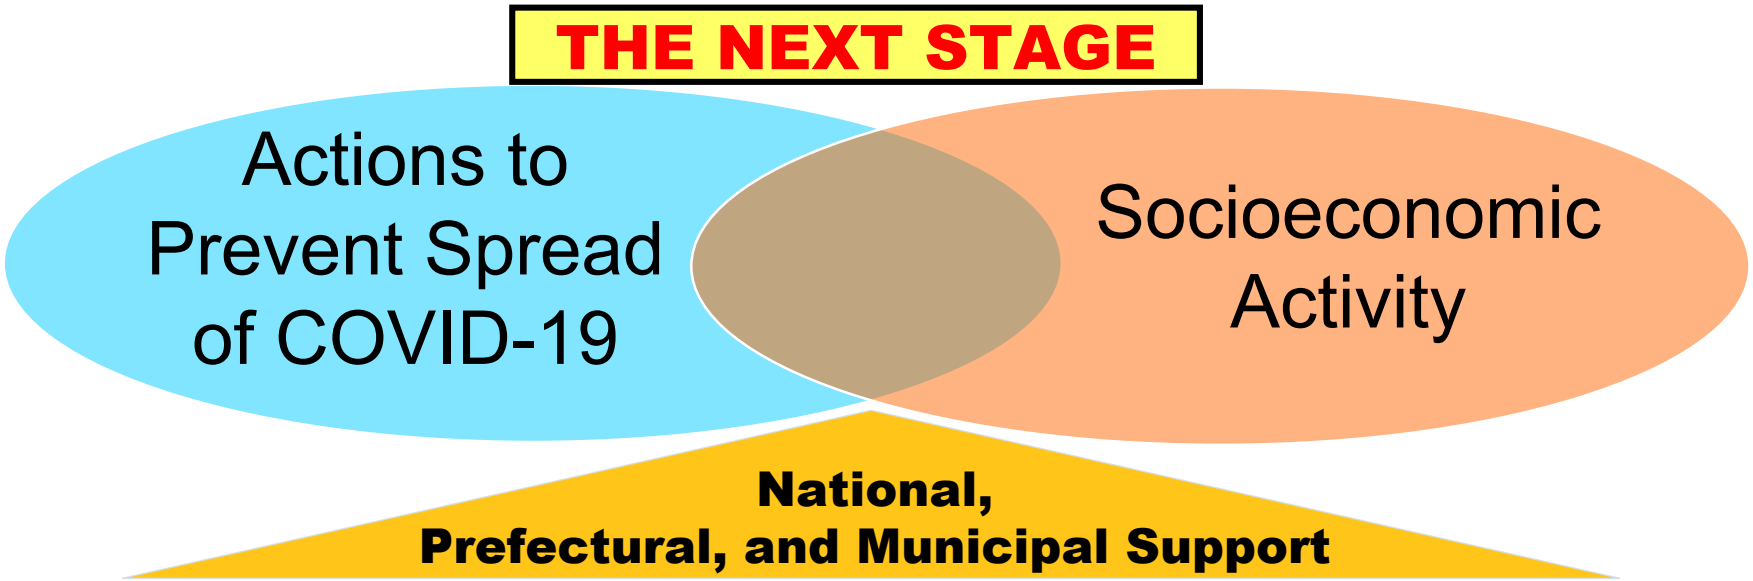
The Next Stage: Hokkaido Citizens and Businesses Working Together to Overcome COVID-19

○Thank you for your understanding and cooperation as we worked to prevent the spread of COVID-19 in Hokkaido.

○However, as COVID-19 has been recognized as a pandemic, it is difficult to predict when the situation will resolve.

We will move forward to the next stage, continuing to take actions to prevent the spread of COVID-19, while also contributing to socioeconomic activity.



Hokkaido Governor Naomichi Suzuki
