Repayment Forgiveness of Temporary Loan Emergency Funds and Other Special Loan Funds that are Especially Granted to Address the Impact of the COVID-19 Pandemic

## Key points for repayment forgiveness

- A loan borrower may be entitled to repayment forgiveness for all loans of the same type at once: (1) Temporary Loan Emergency Funds; (2) Comprehensive Support Funds (Initial Loan); (3) Comprehensive Support Funds (Additional Loan); and (4) Comprehensive Support Funds (Relending)
- If a loan borrower and the head of its household are exempt from municipal tax (both per capita and income-based portions), the loan borrower is deemed to be eligible for repayment forgiveness, regardless of whether other household members are exempt from municipal tax. (Any amounts already repaid by the time of the repayment forgiveness decision will not be returned.)
- The requirements for forgiveness vary depending on the type of fund (see the figure below).
- In addition to the above, any outstanding debts will be forgiven in whole if a loan borrower and the head of its household come to be exempted from municipal tax after the fiscal year of the decision. Similarly, a loan borrower may be entitled to repayment forgiveness in whole or in part if, during repayment, a loan borrower becomes unable to continue to make repayment due to circumstances such as death, disappearance or personal bankruptcy.
- You need to apply for repayment forgiveness. (The forgiveness is not given automatically.) Please read the notice from the Council of Social Welfare carefully and file an application by the deadline.

If, for the reason of relocation or others, your residence has changed since the time of your loan application, please contact the Council of Social Welfare with which you filed the application.
